Classic Martini

The Martini is one of the oldest and best known cocktails. Origins are unclear but there is a good chance it originated from New York around 1900. The well known process of stirring the gin over ice dilutes and chills the drink so you can best enjoy the full flavour of the gin without the alcohol 'burn' of a neat spirit.

We use Tanqueray 10 gin as standard and serve our martinis dry with a Lemon zest twist or an olive. Please let us know if you would prefer yours made differently.
